Predator Guard Order Sheet

The Prairie Pothole Chapter of the Minnesota Waterfowl Association has been working with a local company to build and ship predator guards for wood duck box nesting structures. Since the guards have become more popular the chapter has been asked to handle the ordering and billing of the predator guards. Since this is a new venture for our chapter and wood duck boxes need to be put out very soon we are forgoing an e-commerce site for 2009. You can order the predator guards by printing off this form and mailing it with your remittance to: Prairie Pothole Chapter, Minnesota Waterfowl Association, PO Box 14, Willmar, MN, 56201.
